

REMARKS

Entry of the amendments to the claims before examination of the application is respectfully requested.

It was noted that, in the Preliminary Amendment filed June 14, 2005, claims reproduced as "Original" included an error. Specifically, where the words "instruction signal" and "instructs" appeared, they were changed to "direction signal" and "directs". By this Further Preliminary Amendment, Claims 1-4, 7, and 8, have been cancelled without prejudice or disclaimer and new Claims 10-15 have been inserted. Claims 10-15 are identical to original Claims 1-4, 7, and 8 with the original language restored. Claims 6 and 9 have been amended to conform them to the original language.

If there are any questions regarding this Preliminary Amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket # 080306.56378US).
